Businesses could use our own search engine which is <http://littlediscoverers.easysearch.org.uk> The search results are provided by Yahoo and Bing, so are as good as Google. Little Discoverers would receive 1/2p for every search made!!! As some businesses make 100's of searches a day, this could all add up. Please take a look if you are involved in business.

### How does it work?

Easyfundraising is the simplest way to raise funds for our good cause. You shop online with your favorite stores and you raise money at the same time. It really is that easy.

They work with thousands of well known retailers including Boden, M & S, Argos, Vodaphone and many more, who will donate a percentage of your spend to our cause when you shop with them through the easyfundraising site.

For example a £50 spend with Boden will raise £1.25, Insure your car with RAC and they'll donate up to £30, take out a new mobile contract with Vodaphone and raise up to £45.....!!!!

They also work closely with their retailers to find voucher codes and discounts so you can save money on your shopping too!!

Sounds good? Then please register today, it's as easy as 1, 2, 3.
